Goals

A challenging career where I can develop as a person, make use of my education and to combine my interest in technology with my business interests.

Education

**2010/08 – 2011/06 Master's degree – IT and management, 60hp
University of Linköping**

A great part of my education is about how to control and improve organizations with the help of IT, as well as to understand what the advantages and disadvantages of that use means to the organization. The education is an extension of my Bachelor's degree in information systems.

**2007/08 – 2010/06 Bachelor's degree – Information systems with a focus on IT and management, 180hp
University of Linköping**

The focus of the education is on the borderline between humans and technology. It has given me an insight of the entire system development process, from demand-specifications and design to development and management.

2000/02 – 2000/12 Adult education

SQL, development, Microsoft office, IT-infrastructure and operating systems.

1995/08 – 1999/06 Gymnasium – School of Änge

Child and recreation with focus on tourism.

Languages

Swedish: Understand, speak and write uninhibited.

English: Understand, speak and write uninhibited.

Professional experience

- 2011/10 - Perido Skills AB, Stockholm**
Contracted to one of Perido's American customers; Wynne Systems, as a business analyst/implementation consultant of their ERP software "Axiom". I am a part of the implementation team consisting of members from various countries. My role here is to analyze the client business, making sure the system is configured the right way dependent of the country (Axiom is to be implemented in 13 countries). I make sure the client's needs are being met, mainly through demand specifications and testing.
- 2003/06 - 2007/06 Expert Jämtpol, Östersund**
Salesman to individuals and businesses. Store Manager for the last two years, with overall responsibility for the store, orders, claims and billing.
- Autumn of 2002 Sportringen, Östersund**
Salesman of sport- and leisure products to individuals and businesses.
- Spring of 2002 Restaurang Krikelin, Östersund**
Restaurant assistant. Tasks including cash register, serving, dish and cleaning.
- 2001 Kornboden resurs, Östersund (Recruitment company)**
Leased to a local newspaper as ad-seller. Later leased to Solectron AB as installer of telephone nodes.
- Vintern 1999 Dokumenthuset, Trångsviken**
Scanning of invoices, etc., and document management.
- 1998 - 1999 Svenska dagbladet, Östersund**
Subscription seller to private individuals. Parallel to studies.

Other qualifications

- 2010/09 - 2011/06 Board member IBAC**
IBAC's (interest group for Accommodation and Activities in Colonia) Board is to foster strong community, well-being of residents and a good study environment. IBAC care includes the premises and is responsible for the organized joint activities for the residents.
- 2008/08 - 2009/06 Section active**
SAKS is the information systems section. Here, I acted as the ultimately responsible of the welcoming of new students of our program. In addition, our section was also in charge of arranging different events for the entire program.

Personal characteristics Targeted, stress durable, social, responsible, positive, orderly, analytical.
